HOLY LISTENING with CHILDREN

Spend an evening with others who love and work with children as we learn the art of Holy Listening. Children in our congregations need caring, supportive adults who will actively listen to their joys and triumphs, their hurts and fears without judgment. They need to feel loved and heard. Using holy listening stones is one of the ways we can encourage children to share their feelings even when they do not have the words to do so. When we interact in this way with a child we are living into the familiar scripture, "Where two or three are gathered in my name, I'm with them." (Matthew 18:20 CEB).

WHO SHOULD PARTICIPATE?

Those who work with children preschool – 5th grade on Sunday mornings, Wednesday nights, after school programs, children's choirs, weekday ministries, preschools – anyone!

WHAT TO BRING

28 glass stones about the size of a quarter. If you work with preschool age children, bring a few additional stones.
