‘Goodbye & Thank You’

Bishop’s Love Offering

After 12 years of faithful service, North Georgia will say Goodbye and Thank You to Bishop and Jennifer Davis during the 2008 Annual Conference Session.

Traditionally, the North Georgia Conference has collected a love offering to be presented to outgoing bishops and their families. Bishop and Mrs. Davis, however, have graciously requested that gifts collected for them to be offered to support two mission efforts of their choice.

Half of the offering will support Venezuela NOW, a vital ministry that supports the training of pastors in the Methodist Church of Venezuela. The other half will support an ongoing educational ministry dear to Jennifer Davis’ heart which provides aid for school children and teachers in Honduras’ Agalta Valley.

Please give generously to the Bishop’s Love Offering as a way to honor and extend thanks to the Davises, and to see the cause of Christ expanded through the mission efforts that it will benefit.
