

The  
North Georgia Conference  
of The United Methodist Church

## District 1 – Central West

District Superintendent      Rev. Dr. Jessica Terrell

August 30, 2020

Greetings in the name of our Lord!

I am excited to welcome you all to the brand-new District 1 – Central West UMC! Yesterday at Annual Conference, the districts of the North Georgia Conference were reorganized officially. You can find out more about this redistricting at [NGUMC.org/district-restructure](https://ngumc.org/district-restructure).

You and your congregation are now a part of the Central West District. This district is comprised of Cobb, Paulding, Douglas, Carroll and Haralson counties. The Central West district family cares for 82 churches, over 100 clergy members, 20+ men and women in the ministry candidacy process, two Wesley Foundations serving Kennesaw State & the University of West Georgia and over a dozen extension ministers serving from coast to coast.

Please feel free to reach out to me at [jessica.terrell@ngumc.net](mailto:jessica.terrell@ngumc.net) or call the district office at 678.224.6709. To best steward district resources, the district office is currently virtual. Please send postal mail to PO Box 2058, Hiram, GA 30141.

When it is safe to meet and gather in person, mobile office days will be established where I will visit a church in each county every week on a rotating basis. This will allow you to meet with me or our administrative assistant, Jodi Kasten, without needing to make a long commute to a district office.

It is my honor and pleasure to be the caretaker of this strong, faithful group of loving United Methodists.

In His Loving Grace,

Rev. Dr. Jessica Terrell
