

Because You Gave!

With each Annual Conference comes the Bishop's Initiative Offering. Several worthy causes have been the recipients of this extra mile giving on the part of our generous people and congregations. Among the beneficiaries are Wesley Homes, Africa University, the Betha Welcome Center at Lake Junaluska, the Russian Seminary, and others.

Recently, our Conference was commended by Bishop Hans Vaxby, the Resident Bishop of Russia and Eurasia, for our contributions to the seminary. The pastoral leaders of our United Methodist churches in that region are being equipped for ministry at this new theology school.

Last year's offering was designated for Action Ministries and its many expressions throughout North Georgia. Breakthru House, a long-term residential program for women eighteen years or older who seek to recover from alcohol or drug addiction, was awarded funding from the total gift. Part of this

grant has been set aside to create a North Georgia United Methodist Scholarship to support a client referred by any member (lay or clergy) of the Conference. Candidates for the scholarship must complete the standard evaluation process conducted by the clinical staff and required for admission. Also, they must demonstrate a compelling financial need.

The cost of a year-long treatment at the center (\$8,100) includes food, housing, bus fares, day treatment, and case management. Clients typically remain for six to eighteen months. To recommend an applicant or obtain additional information, contact Fay Stullken, Administrative Director of Breakthru House (fstullkenbth@bellsouth.net or 404-284-4658).

The board members wish to express appreciation for the monetary support. Their sincere hope is to raise additional funds to keep the scholarship going for many years.

Thank you for your generosity. Watch this space for an announcement about next year's Bishop's Initiative Offering.
