

CONNECTIONS 18:20

Based on Matthew 18:20
"For where two or three are gathered in my name,
I am there among them."

A support group for children and youth workers in small membership churches

Children and youth ministry in small membership churches present unique challenges which are often not covered in curriculum or workshops. This group will offer the opportunity for teachers, age coordinators, and ministry directors (paid or unpaid) to share ideas, support each other in our challenges, and search for solutions for nurturing our children and youth in the faith.

Introducing **Connections 18:20**, a group open to workers with children and youth in churches with small memberships. This first workshop will initiate a cooperative among leaders experiencing some of the same challenges. Please join us for a workshop, lunch and discussion group to kick off this group.

Saturday, September 19, 2009
