

Year after year, hurricanes ravage the coast of Terrebonne Parish, devastating homes and lives. Who knows what will come this year or the next, but hearts are hurting now. ***What will you do about it?***

From roofing to foundations and everything in between, we need your help to put homes and lives back together again. Terrebonne Area Restoration Project provides an opportunity for teens age 14 and older to take part in the restoration of homes damaged by recent hurricanes.

TARP invites you to the home of Cajun culture and the heart of America's wetland, where you will work alongside other teens to truly make a difference in the lives of others. Designed with the hope of transforming your hearts and minds, TARP will give you the opportunity to apply your faith in life-changing ways.

Not only will the lives of hurricane victims be changed, but you'll be changed as well.

**BE THE CHANGE
CHANGE THE WORLD.**

TARP begins the week of June 6 and ends the week of July 25. Teams arrive Sunday evening and depart the following Saturday morning.

The cost is \$225 per participant, which includes lodging, meals, construction materials, and evening activities.

The registration deadline is March 15, 2010. Registrations are taken on a first come, first served basis.
