SUMMER CAMPMEETING CANCELLED

It is with great sadness that we announce that Summer Campmeeting 2020 will not be held due to COVID-19 restrictions in place by the North Georgia Conference of the United Methodist Church. The board voted in its last meeting May 3, that it would be necessary to cancel the summer campmeeting in order to comply with these restrictions.

Fall Campmeeting Scheduled for Oct. 9-11

2020 is not over and we are making plans for a SUPER Fall Campmeeting Revival, to be held **Oct. 9-11**. We hope everyone will plan to attend! There will be bouncy houses for the children, a good old-fashioned picnic with family games and activities, worship services led by Rev. Bart Gray, and of course LOTS of good food. What would campmeeting be without good preaching and good food? It is the board's desire to provide community meals for all tenters and campers! All you have to do is show up! Meals will be provided Friday evening prior to the service, Saturday morning for Morning Watch, Saturday evening following the Campground Games (*three-legged race, piggy back races, sack races, etc.*) and again Sunday afternoon immediately following the morning service.

Pool News

The pool will remain closed until we receive the states Covid-19 guidelines for reopening. Watch for more information on the Whiteoak United Methodist Campground Facebook page. If weather permits, the pool will be open during Fall Campmeeting also!

Tenters/Campers Offerings

We will be postponing the Tenter/Camper Offerings until the fall campmeeting. If you feel led to send an offering before the fall, please mail your offerings to **P.O. Box 1834, Thomson, GA 30824**. A PayPal link will also be added to our facebook page to make digital offerings easier.

Tent check ups

Any tent holders that would (to save them a trip) like for Tom Stovall to check anything exterior on their tent can email or call Tom at **(828)507-2186 // pstovall104@gmail.com**

Sincerely,

Your White Oak Board of Trustees
